**MEMORANDUM FOR: OSS JPA Liaisons**

**SUBJECT: Play Equipment Signage**

Enclosed is a sample of the play equipment signage required by California regulations. The sample size of 8"x12" was selected based on the fact that more mounting options are available than with the 12"x18," size, which can also be ordered. The signs should be placed as close to the play equipment as possible without creating a safety hazard. A fence makes an ideal location.

The signs may be ordered by contacting Rob or Leonard at Safety Network, 2361 N. Larkin, Fresno, CA, 93727 or [rob@safetynetworkinc.com](mailto:rob@safetynetworkinc.com), 291-8000. The cost for the 8"x12" is \$12 and the 12"x18" size is \$15 plus tax and shipping. Specify the number of signs for each age group, 2-5 or 5-12.

If you have any questions please contact me.
