**MEMORANDUM FOR: FCSIG JPA Liaisons
 FCSIG Safety Officers
 FCSIG Contact People**

SUBJECT: Slip/Trip & Fall Injuries

Approximately one-third of the reported worker's comp claims for our FCSIG JPA are related to slip/trip and fall injuries. These claims account for sixteen percent (16%) of the total injury expenditures (medical, indemnity and L & O) or \$427,139.00. We do have an online module to address this hazard. I know time is short, but you may wish to remind principals and other supervisors to survey their areas of responsibility and submit appropriate work requests addressing slip/trip hazards.

If you have any questions please contact me.
